DAYTON ELEMENTARY – KINDERGARTEN REGISTRATION – MARCH 5, 2024

On Tuesday, March 5, 2024, from 9:00 a.m. to 3:00 p.m., Dayton Elementary will be holding kindergarten registration for the 2024-2025 school year, for students living in the Dayton attendance area who will be reaching five years of age on or before August 31st. ***You should call the school office at 814-257-8816, Ext. 1100, to schedule an appointment to complete the registration process.***

The following information should be brought with parents at the time they register their child: the child's original birth certificate and the child's immunization records; proof of residency such as a copy of the parent's driver's license, a utility bill, a copy of your lease (anything that shows your current name and address); and information you can make available that gives an accurate description of your home location, such as your municipality, road names, and/or landmarks for the purpose of planning bus routes.

For your convenience, most of the forms you will be required to complete the day of registration are available on the ASD website. These forms can be downloaded and completed by you prior to coming on March 5th. Having these documents completed when you arrive will save you considerable time. These forms can be found at www.asd.k12.pa.us, and under the "Parents & Students" tab, then choose "kindergarten registration" and the pre-registration forms. While parents are finishing up the registration process the student will be screened on this day so your child will need to be in attendance. This whole process should take no longer than one half hour to complete.

We hope this information is of assistance to you. If you do not have a student registering for kindergarten this year, but know someone who does, please feel free to pass this information along.
