Tussel University: 877-227-0924

Learn the basics of how to use a smartphone, including how to turn your device on and off, answer and make calls, read and send text messages, and more. This class is designed to cover the very basic smartphone features for beginners. For both iPhones and Android phones. Have a smartphone? Bring it with you for hands-on practice.

Don't forget to bring your login credentials for your phone and Apple or Google account! No tech experience needed.
