**Registration Recommended**

Sign up online or by calling Bug  
Tussel University: 877-227-0924

Get one-on-one help with your basic tech questions. Drop in at any time during the session with your device and questions. Time available to answer your questions will vary depending on group size. Make the most of your time by preparing your questions ahead of time, keeping questions specific and simple, and asking your most important questions first. Questions are answered on a first-come, first-served basis. No tech experience needed.
