You may also add names at any time to our daily prayer list for the deceased and the living. We keep these names on our prayer list for several months.

The deceased will be added to the Neydren Ceremony (Guiding the Consciousness of the Deceased), which we usually do at our annual Vajrasattva Retreat in the spring. Please send names for the list to tcnewsletter@gmail.com.

A Special Note: Venerable Gyatrul Rinpoche and our other teachers have taught that it is customary and beneficial to make a monetary offering on behalf of those for whom we are requesting prayers. This act of generosity protects those beings from accruing karmic debt and increases their connection to the blessings of the practices. The amount doesn't matter—the important thing is the connection that is being made. If you would like to make an offering on behalf of those you have named, you may offer to your own local dharma center as a representation of the sangha community; or you may offer to Tashi Choling as the host of this worldwide prayer community at the link below:
