

DISCOVER ANTARCTICA

Experience a fragile world of dramatic beauty and remarkable wildlife, including penguins, seals, and whales. A surreal landscape of jagged mountain peaks and icebergs of every shape, size, and endless shades of white-blue that reflect their ancient origins, we'll take you to the hidden treasures and untouched wilderness of the most remote continent on Earth.

HIGHLIGHTS & ACTIVITIES

- **OPTIONS** to explore remarkable South Georgia, the Falkland Islands, Patagonia, the coast of Chile, and/or the Chilean fjords in addition to your in-depth exploration of the Antarctic Peninsula
- **ENJOY** bucket-list, active, immersive adventures such as hiking, kayaking, snowshoeing, and even camping on the Great White Continent
- **TIME YOUR VOYAGE** to take advantage of the different Antarctic animals' life cycles, such as penguins mating and nest building, penguin chicks growing and learning to swim, whale sightings and fur seal populations at their peak
- **GET UP CLOSE** to fascinating, beautiful icebergs by small boat or kayak
- **OBSERVE** up to eight species of penguins and stand among enormous penguin colonies, and observe their precious waddling, tripping, and belly-flopping to the sea along their 'penguin highways,' humorous interactions with one another, and hilarious communication style!
