

Medicare 101:

Answers to Your Questions About Your Options

Comparing Medicare options and supplemental health and prescription plans can be complicated and intimidating.

Join us for a 30-minute webinar where Medicare experts from GIS Benefits will share information and insights to help you answer questions like:

- How do Medicare and Medicare Supplemental insurance compare to your group health insurance?
- When does switching to a Medicare plan make sense?
- What do you need to do to enroll?

Senior advocates and those with friends and family who are eligible for Medicare may also find this webinar to be educational.

SPEAKER

Jen Flores, National Director of Medicare Engagement and Education at GIS Benefits

With more than 10 years experience in the insurance industry, Jen holds health licenses and carrier appointments in multiple states. She understands the importance of educating Medicare beneficiaries on the basics of Medicare and the various private insurance options available so they can make confident decisions about their healthcare needs.
