To get a printed copy of the provider directory, simply click the print button at the top of the page or contact the Customer Care Center at 866–939–3633. Should you elect to request a printed copy or use a printed subset of the directory, keep in mind that the printed directory is only accurate as of the date printed and limited by the search filters. The online provider locator is the most current and complete provider directory.

Not all providers participate in every plan or offer all services and discounts on non-covered services and may not be available through all providers, or in all states. If you are not yet enrolled in an EyeMed plan, please keep in mind your actual network may vary from what appears on our locator. If you are an EyeMed member, you can <a href="Log-in (/memberweblogin/member/en">Log-in (/memberweblogin/member/en</a>) to access the exact list of available providers based on your specific plan and network. Even if a provider is displayed, we recommend you call ahead to confirm the provider accepts your EyeMed plan. In the event you selected "I Don't Know", the search results are based on Advantage network.

You can also utilize your benefits online at <a href="www.lenscrafters.com">www.lenscrafters.com</a> (<a href="https://www.lenscrafters.com">www.lenscrafters.com</a>), <a href="www.lenscrafters.com">www.lenscrafters.com</a>), <a href="www.lenscraft

We do not consider your race, disability, religion, sex, sexual orientation, health, ethnicity, creed, age or national origin when giving you access to care. Network providers are legally required to do the same.

Any provider included in this directory is listed for outpatient services. In addition, the directory includes information regarding whether the provider is currently accepting new patients. You do not need a referral to receive vision care services.

You may have the right to obtain in-network benefits from an out-of-network provider if: (i) you cannot schedule a visit within two-weeks due to provider's appointment availability, (ii) you are unable to locate a participating provider within a 10-mile radius in an urban-suburban area, or (iii) you are unable to locate a participating provider within a 20-mile radius in a rural area. Contact the EyeMed Customer Care Center at 866.939.3633 or visit eyemed.com for an out-of-network claim form.

#### About our network

Important information for Provider Locator users who live in <u>Texas</u>.

(<a href="http://www.eyesiteonwellness.com/wp-content/uploads/2018/09/Tx\_adequacy.pdf">http://www.eyesiteonwellness.com/wp-content/uploads/2018/09/Tx\_adequacy.pdf</a>)

#### How we build our vision networks

Our network of eye doctors includes thousands of independent providers, popular retailers and online options so you can see who you want to see, where and when you want to see them. We build our networks based on how many providers there are in a specific area and the provider's ability to meet network participation standards. We reimburse providers a contractual fee for each service they provide. This way we can ensure that we have enough providers available to meet your routine vision care needs.

#### How we choose providers

We created the vision network based on numerous market variables. We chose providers for this network based on the following criteria:

- access and availability
- meets our credentialing standards
- provider ability to meet network participation criteria
- cost efficiency
- state board sanctions
- loss of license

#### **Network maintenance**

Our network providers are the source of the provider information in this directory and responsible for information accuracy, such as hours of operation, languages spoken, acceptance of new patients and the types of frames/products are provided directly by providers and are not independently confirmed by EyeMed. Updates received from our network providers are typically added to the EyeMed Provider Locator once per day, including weekends and holidays. Exclusions include interruptions due to system maintenance, upgrades or unplanned outages. This information is subject to change at any time.
