Miracles in Motion (MIM) is a 501 (c) 3 corporation that provides dance classes and performance opportunities for People with Special Needs. MIM classes are located in several locations across Richmond, Va.

The show includes performances by the MIM dancers alongside Local Artists from the Richmond community. Our event raises money to further support and grow the program at the professional level it deserves.

Ways to donate to our event:

- Gift Cards for our fundraising Raffle
- Services/Supplies that would help support or improve our event
- Concessions
- Monetary
- Volunteer Service at the event

This fundraising event supports our studio by helping to provide our dancers with scholarships, Studio supplies, Community activities, participation in local arts education/performance, classroom expansion, dance costumes, special classroom events, social activities and much more!

Miracles in Motion provides quality dance instruction to its students. Through music and dance our program helps our dancers develop socially and physically. The families, therapists, and doctors of our dancers are astounded at the tremendous improvement in speech, fine motor and gross motor skills. Confidence levels skyrocket as our dancers grow in MIM.

MIM provides our dancers and families with friendships that will last a lifetime in its inclusive environment with our volunteer assistant program. Our volunteers range from age 11 – adult and provide any needed support for our dancers. Our dedicated assistants are a crucial part of the program.

Since its creation in 2007, MIM has been making leaps and bounds in the community with its innovative style and powerful reputation. No matter where they perform, they have been known to raise the audience to their feet in standing ovation with tears running down their faces. Miracles in Motion is a force of awe and inspiration to people of all ages. They are BEYOND your ‘typical’ dancer.

Please consider donating to this very worthy cause that is making a difference in our community!

Sincerely,

Kim Moncrief
