STATE LEADERSHIP SEMINARS

1. PROMOTE THE PROGRAM

Encourage faculty and staff to recommend 10th grade students for the State Leadership Seminar. Encourage all sophomores to learn more by visiting HOB Y.org.

2. ENCOURAGE SOPHOMORES TO APPLY

Refer all interested candidates to one school contact. Create a selection process. Some suggestions include:
A) In-person interviews.
B) Essay contest describing the most rewarding and challenging aspects of being a leader in your school and community.

3. SELECT YOUR HOB Y STUDENT(S)

Leadership ability surpasses gender, ethnicity, and socio economic status. All sophomores should be considered in your selection. While young leaders often have excellent academic records, selections should not be based exclusively on GPA. Please consider leadership potential when making your selection.

4. GIVE STUDENTS THE FORM

In this packet are forms for selected students to bring home and share with their parents or guardians. Have them fill out the form and return it to your school's HOB Y contact via email or print.

5. REGISTER YOUR STUDENTS

Use the HOB Y school ID and password provided in your email to log into our secure online registration system. Each school is able to register a limited amount of students. Enter each student's information from their completed registration form. The registration must be completed by a school representative and login information should not be given to the parents or students. [REGISTER HERE](#)
