

SANTANDER BANK'S CULTIVATE SMALL BUSINESS, HOW TO APPLY

We're thrilled you're interested in applying for Santander Bank's Cultivate Small Business program! Please follow the following steps to apply. If you have any questions, please reach out to CultivateSmallBusiness@Santander.us

1. Visit [the application link](#) to begin!
2. In the upper right hand corner, click the option that says sign up

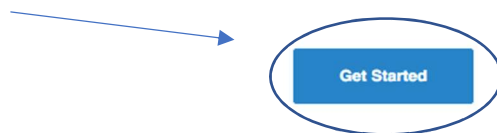

The screenshot shows the top right corner of a web page with a light gray header. In the top right, there are two buttons: "Sign in" and "Sign up". The "Sign up" button is circled in blue, and a blue arrow points to it from the text "click the option that says sign up". Below the header, the main content area has a title "Applicant Registration" and a subtitle "Fill out the required fields below to create your GrantsConnect account." Below this is a section titled "GENERAL INFORMATION" with two input fields: "First Name" and "Last Name". The "First Name" field has a red error message "This input is required" below it. A red circle with a white exclamation mark is also present next to the "First Name" field.

3. Enter the required information (Name, email, city, state, etc).
4. You will receive a confirmation email to the registered email address. Please note, this email will be coming from YourCause
5. In that email, click "Get Started"

Your account has been created in the YourCause GrantsConnect applicant portal. Click the button below to confirm your email and log in to the applicant portal.

*Please note this email expires in 24 hours. If you missed that window, you can request the email be resent using the button below.

Sincerely,
GrantsConnect Support

6. You will be kicked back to the landing page, where you can now click "Sign In". Enter your email and password

7. Verifying your account: the system will automatically generate a code that is sent to your email. Once you receive this email, enter the code on YourCause and click submit.

VERIFY YOUR ACCOUNT

A security code has been sent to the email entered on the previous step

Please enter the code below
