

DISCOVER ICELAND

Mythical Iceland is the land of ice and fire, where you'll find glaciers and volcanoes side by side. The geographically fascinating and unique landscape offers a diverse backdrop as you explore black-sand beaches, fascinating volcanic landscapes, numerous geysers, impressive waterfalls, soothing hot springs, and bright green valleys.

HIGHLIGHTS & ACTIVITIES

- ENJOY active adventures such as kayaking in the magical seascapes and hiking through lava fields, to waterfalls, and other dramatic landscapes
- SEARCH for the wondrous wildlife that call this region home, including humpback whales in the fertile sub-Arctic waters; Arctic foxes, which are concentrated in the glorious Westfjords; and harbor seals along the rocky, uninhabited coastlines
- A BIRDPATCHERS' DREAM, immerse yourself in Iceland's teeming birdlife, including the colorful puffin, kittiwakes, northern gannets, guillemots, and Arctic terns
