COMMUNITY CARE DAY 2023

FRIDAY AUGUST 25

Logan County's signature corporate volunteer event—COMMUNITY CARE DAY—is back for an 8th year in 2023! Join United Way on Friday August 25, as hundreds of volunteers from area workplaces, churches, and civic organizations will work on meaningful group projects and make a difference in our community.

Hands-on opportunities for volunteers of all skill levels and interests are being organized in advance throughout Logan County for teams to select for completion. Whether you like to bake or build, plant or paint, get clean or get dirty, there will be a job for you on Community Care Day. Projects will take place at social service agencies and area parks.

Volunteers will share the excitement, camaraderie, team-building, and good feelings that come with working together.

Volunteer registration information is attached. Service projects are proven to be strong team-building exercises that build camaraderie and help our community at the same time!

THE EVENT WILL ALSO SERVE AS THE KICKOFF TO THE 2023 UNITED WAY CAMPAIGN!
